

# **WHEATHILL PRIORY BENEFICE**

***“Jesus Lives: Follow Him”***

***Sunday 6 February 2022***

***Accession and 4 Sundays before Lent***

This weekend 70 years ago a young princess took 24 hours off on her Commonwealth Tour to visit a wildlife reserve in Kenya, went to sleep as a princess and awoke to find herself Queen.

Her pledge to serve this nation is one that she has more than fulfilled in her life of service and dedication. Yes, her life is very different to ours, with different worries and concerns, but she has continued to serve and to demonstrate what committed faithful service looks like.

This weekend therefore marks the official beginning of the celebrations for her platinum jubilee, celebrations that will culminate with the double bank holiday the first weekend in June.

But for now maybe we can give thanks for Her Majesty The Queen's devoted service to the nation and commonwealth. Her faith is clearly a bedrock of her life and maybe encourages us in our own faith expression.

As individuals and churches let's continue to pray for her, and give thanks for the ways that we as a nation have benefited from her consistency of service, dedication of faith and the integrity with which she has led and served.
